Respected Sir,

I beg to submit as follows -

I am a resident of Madigeri town and was also a voter in the recent municipal elections of this town held on 10-10-48. There are about 200 voters belonging to my near community in the town.

I regret to say that at no time my worker community was duly represented in the municipal council even since the founding of the municipality.

It appears that one Mr Hariyanna son of Lakshmi Gowda of Kodagu commenced for nomination papers is a congressman and is particularly selected by the congress leaders for nomination and is not even a voter in the recent elections. Moreover Pattegars belonging to his community was also elected from the 4th block during the recent elections.

I respectfully and humbly submit that my humble representation to consider my case for nomination I will be highly grateful to your honour Sir.

I beg to remain,

all residents of Madmugiri

The petitioners humnly and respectfully beg to submit as foll ws -

1 The petitioners have been returned as elected members to the Town Municipal Council Madmugiri in the General Election held in December 1943

2 Petitioners have information that

Messrs 1 M N Basappa son of Mr P K Nanjundayya Sadar by caste
2 Lalapete Thimmayya son of Thimmayya Settibanajigar by caste
3 Pedagappa, Edigar by caste

have been proposed as nominated members to the said Municipal Council

3 Petitioners beg leave to place before Government the following facts for kind consideration while deciding the question of nominations They have ventured to submit this representation, as they believe that the authorities concerned in submitting the nominations had not this information while making the recommendation

4 Mr Pedagappa , who happens to be a representative of the Edigar community, has been a nominated member of the municipal Council for the last nine years His nomination if approved again will give him the privilege of serving on the council for a period of 12 years This will be extremely unjust to the other minority communities which have a larger proportion of population and which have not so far been represented in the Council There are only four or five houses of the Edigar community at Madhugiri

5 Mr M N Basappa happens to be the son of Mr P K Manjundayya who was defeated in the recent Municipal elections The nomination of Mr Basappa will therefore virtually be to afford compensation for the defeated candidate Moreover Mr P K Manjundayya has been in the municipal Council for the last 9 years and has also had the privilege of being its Vice-President during the same period There are not more than 15 Sadar families in the town and a member of their community has always been in the Municipal Council though there are other communities with larger population --- which have never enjoyed this privilege

6 Petitioners respectfully beg to ~~xxxxxxxxxxxxxx~~ bring to the notice of the Government that there are one hundred Aikar families in this town which at no time had the honour of being represented on the Municipal council either directly by election or by nomination There are several eligible candidates in this community who are capable of serving on the council but but who have had no opportunity Petitioners venture to submit that justice has to be done to this community,

7 Again there are nearly one hundred families of Settibanajigars who require to be represented Neither Settibanajigars nor Aikars have been returned to the Council by election

9 ? There are other minority communities deserving representation in the Council in preference to the communities that have enjoyed the monopoly from a long time For instance the barbers who are as many as 30 families in this town do require representation by means of nomination

10 It is therefore respectfully and humbly submitted that the facts set forth in this petition may kindly be taken into consideration while disposing of the question of nominated members to the Council

SELF GOVERNMENT ~~MUNICIPAL~~ GOVERNMENT
OF MYSORE BANGALORE

Petition in continuation of the petition filed on 20-12-45 in the matter of nominations to the municipal council Madhugiri -

It is submitted as follows -

1 The nominations to the Town Municipal Council have been published and the following gentlemen have been nominated -

1 Messrs M N Basappa
2 Pedagappa
3 Mallaririao

2 It is learnt that there are several petitions submitted to Government putting forward claims to nomination In the petition submitted by us we had mentioned that the communities of Settibanajigars and Tailors formed the largest unrepresented communities in this town The nominations sent by the President of the Town Municipal Council showed due regard to the unrepresented communities We beg to bring to the kind attention of the Government the fact that the result of the present nomination is to give majority to a party in the town municipal Council which otherwise had failed to secure ~~xxxx~~ the requisite number ~~to have power in the Council and also to secure the office of the Vice President~~

3 Mr Pedagappa happens to belong to the Settigar community which contains only two houses in this town Mr Mallaririao happens to be a representative of the community of tailors ~~containing~~ consisting of about 10 houses Both these gentlemen have

have been on the ~~town~~ municipal Council as nominated members for the last nine years and their continuance for another term is extremely unjust to the other unrepresented communities which have put forward their claims to nomination before Government Further more the present nomination has the effect of continuing in power the party in the municipal Council which ruled it for the last nine years It is unlikely that the councillors nominated at present will ~~change~~ alter their allegiance to any progressive change in the municipal Council

4 Mr M N Basappa happens to be the undivided son of Mr K K anjundayya Vice-President of the municipal Council for nine years and a candidate who was defeated in the recent elections The community is so small in number that his nomination at the present juncture is a direct answere to the electorate who did not return his father

In these circumstances we respectfully beg to submit that the nominations now announced may be reconsidered

The Municipal elections at Madhugiri have taken and not even a single candidate of the Myadar community contested the elections

There are as many as 20 Myadar families in the town and ever since the ~~xxxxxx~~l principle of Local Self- Government was recognised by the Goverrment of His Highness the Maharaja of Mysore, our community has not been represented in the council Ours is a minor class and the locality in which we reside requires a large number of improvements
